

A VINCENTIAN MEDITATION AT CHRISTMAS

In working to restore all things in Christ we are not alone.
God is with us: Emmanuel.

People in need also are close to us.
May we never forget that the ultimate source of hope and joy for
people in need lies in our sharing with them our own deep
personal conviction, born of prayer, that with the birth of Christ
the Kingdom of God has come; a kingdom of justice, of love and
of peace.

May your celebration of Christmas be a joyful one!
