

## **HOLY THURSDAY**

Jesus knew the offering that He was about to make on behalf of all of us.

Through the Last Supper he ensured that we could carry on his sacrifice forever while always remembering that we servants to each other.

## GOOD FRIDAY

Sacrifice is at the heart of love. Jesus showed his absolute love for everyone through his willingness to offer himself up on Calvary. Yet this is not the end of all things, because from what seemed to be total disaster came ultimate triumph.

## EASTER SUNDAY

The empty tomb of Easter Sunday morning is the supreme gift that Jesus gives to the world. Through his resurrection Jesus invites us to the promise of a new and everlasting life with him.
