

## HUMILITY

*“True humility will regulate everything.”*

Spiritual Writings. Pg. 20 L. 11

Humility prompts us:

- a. To be aware of the gifts received from God, to be grateful for them and to place them at the service of others.
  - b. To acknowledge our own limitations and our need for conversion.
  - c. To remain close and available to those who are poor, in an attitude of servant.
- ◆ Do I give God thanks for the good I achieve in my daily strivings?
  - ◆ Do I give God thanks for all that I am?
  - ◆ Do I recognise that God gives different people different gifts to be used for the good of all?

### **PRAYER:**

God, help me to see myself as you see me, and to fully acknowledge that all that I am is a pure gift from you.

Amen
